

CELEBRATING SAR ALBERTA'S 10th ANNIVERSARY 1994 - 2004

ALBERTA SEARCH AND RESCUE FUND

OVERVIEW

In celebration of this milestone for our provincial search and rescue association, SAR Alberta is partnering with the Edmonton Community Foundation (ECF) to establish an endowment fund named the "Alberta Search and Rescue Fund".

HOW DOES THIS WORK?

The Fund is established under the ECF, with SAR Alberta named as sole recipient of an annual disbursement of 4.5% of the Fund's value each year. However the fund must reach a minimum of \$10,000 in value before the annual disbursement occurs. That is why SAR Alberta needs your support to reach this goal.

WHAT CAN YOU DO TO SUPPORT THIS CELEBRATORY INITIATIVE?

Donations are needed to reach the goal of \$10,000 so our SAR community can start receiving the benefits of the Fund's establishment. We are encouraging, individuals, SAR Teams, businesses, victims and their families, as well as others, to help us celebrate our 10th Anniversary through donation to the Fund. Donations can be a single lump sum, or gifted annually over several years. The Fund can even be offered as an option for expressing gratitude back to the provincial SAR community by those that received our services, through options including naming the Fund in wills or insurance policies.

WHAT WILL THE 4.5% ANNUALLY FUND?

SAR Alberta will be able to direct the annual funding to whatever its current needs are.

WILL DONATIONS RECEIVE A CHARITABLE TAX RECEIPT?

ECF will issue a charitable tax receipt to all donations to the Fund.

HOW WILL MY DONATION BE RECOGNIZED/ CAN I DONATE ANONYMOUSLY?

ECF will annually provide SAR Alberta a list of all contributors to the Fund by name only, unless a contributor requests to remain anonymous. Neither the contact information for any contributor, nor the amount donated is provided by ECF to SAR Alberta.

HOW CAN YOU MAKE A DONATION TO THE FUND?
