

**CALL FOR CANDIDATES FOR PROVINCIAL TRAINING COORDINATOR
DEADLINE DECEMBER 14, 2007**

The SAR Alberta Board is seeking expressions of interest for the position of Provincial Training Coordinator until the 2008 SAR Alberta AGM. It is anticipated that the term will be extended for at least one year after that and those interested should be intending to fulfill the role beyond the 2008 AGM. The Provincial Training Coordinator performs various functions (and this may change as the relationship between AEMA and SAR Alberta develops) including leading a committee of volunteers to:

- Further the capability of the groups to access and deliver search and rescue training to their members
- Liaise with AEMA on matters related to lead ministry training requirements (accessing funds, training requirements and due diligence, develop procedures, etc)
- Provide advice and support to groups in obtaining and fulfilling provincial training grants
- Liaise with other SAR Alberta committees as required (i.e. Standards)
- Communicate to the SAR Alberta Executive, Board on training matters that may impact SAR Alberta

If you are interested in fulfilling this role, please submit the following (point form OK) to Cindy Heselton sarasouthcentraldirector@yahoo.ca by **December 14, 2007 (NO EXCEPTIONS)**:

- Full name
- Contact information (email, phone number, address)
- Accessibility (i.e. how best can people contact you, during what times) in the context of fulfilling the role
- Experience with training management in search and rescue
- SAR training grant experience
- Potential conflicts of interest (perceived or real)
- Ability to commit to the position beyond the 2008 AGM

This information will be made available to the membership and the SAR Alberta Board on December 15, 2007. The SAR Alberta Executive will make the final appointment by Dec 20, 2007.

FYI – I am not planning to submit my name for this position but do plan to remain active in training management for SAR Alberta.
